

Short-Film Festival

What story would you like to tell? Full Circle Studios invites you to tell it to the world.

Well, to Buffalo at first... but soon after, the world!

Create a short film that has something to do with the Elmwood Village. Maybe it takes place on Elmwood. Maybe the characters talk about Elmwood. Maybe your film is about a dresser made of wood from an elm tree. We don't care...we just want your entry fee.

Just kidding, because we do care...and there's NO ENTRY FEE! All you have to pay for is the making of your film and a DV tape or DVD to put it on. If it makes the cut, your film will be screened at our festival this October 6th. And if it's really good (in our opinion, not yours), your film may be selected to be screened at our marquee event, where it will be eligible to win fantastic prizes.
